Tindall Pint Filler 814

Item #	PA00000123EM	Selling Price	\$8,000.00
---------------	--------------	----------------------	------------

Customer listed item located in the US western region. Fully automatic to fill nest style paper or plastic containers. Lidder holds approx 75 lids and places a lid on each container as filler cycle. Filling accuracy is accomplished with a tension fill control combined with adjustable cut off control. With direct continuous freezers hookup, this filler will accommodate ice cream or sherbet, variegated ice cream and ice cream with fruit and nuts. This filler automatically synchronizes speed with continuous freezer speed and fills 50 containers per minute depending upon product. Air requirements is 10CFM at 60 PSI. Filler is all SS construction, compact in size to be moved easily in and out of production areas. Only one operator is required to run the freezer and filler reducing labor costs.
